## PROFILE

I am a 4th-year college student aspiring to become a software developer. Currently pursuing a BS in Information Technology at Pamantasan ng Lungsod ng Valenzuela, I am seeking an internship opportunity to further enhance my practical skills in software development. I am proficient in HTML, CSS, JavaScript, PHP, Node.js, and Express.js, with hands-on experience building responsive web applications. I am also deepening my expertise in mobile development using React Native. Highly motivated, I aim to contribute to real-world projects, collaborate with professional teams, and continuously learn in a dynamic environment.

## PROJECT EXPERIENCE

- Pamantasan ng Lungsod ng Valenzuela** 2025  
Technical Lead Developer - EcoBantay (Capstone Project)
  - Designed and developed EcoBantay, a full-stack mobile-based waste management system using React Native, Express.js, and MongoDB.
  - Implemented core features including waste reporting, pickup requests, QR code scanning for Clean Points Leaderboards, and real-time truck tracking with GPS.
  - Built and integrated admin and staff dashboards for managing users, requests, and reports efficiently.
- Pamantasan ng Lungsod ng Valenzuela** 2025  
Full Stack Web Developer - BeeGreat (Educational Learning Platform)
  - Developed a child-focused educational website using PHP, HTML, CSS, Bootstrap, and JavaScript, designed for pre-K learners.
  - Implemented features such as progress tracking, module unlock system, animated achievements, and parent-child account linking.
  - Focused on responsive, interactive UI/UX with Bootstrap layouts, engaging animations, and gamified learning modules.
- Pamantasan ng Lungsod ng Valenzuela** 2024  
Front-End Developer - Bookify (Booking System)
  - Designed and developed a responsive booking interface using HTML, CSS, Bootstrap, and PHP for a smooth user experience.
  - Implemented user-facing features including account creation, scheduling UI, and real-time status displays.
  - Focused on clean layout structuring, mobile responsiveness, and intuitive user navigation across all booking pages.
